Dear Madam, Sir,

We received your request, in which you asked to receive information about one or more Mitsubishi Engineering-Plastics product(s).

Attached you will find our answer to your request.

Should you have any questions, please do not hesitate to contact us.

Hoping to have been of service to you,
sincerely yours,

Dr. E.A.A. van Hartingsveldt
Research and Technology Manager
MEP Europe B.V.

ABSENCE DECLARATION

According to the recipe for the manufacturing of **Xantar® 18 UR (01001)**, **Xantar® 18 UR (21074)**, **Xantar® 18 UR (33249)**, **Xantar® 22 UR (01001)** and **Xantar® 22 UR (23036)** the following substances are not intentionally used or added:

- Halogens: Bromine, Chlorine, Fluorine, Iodine and Astatine;
- Silicones.

Since the presence of the above mentioned substances couldn't be expected under normal conditions, the absence has not been checked by tests.

Although the above mentioned substances are not intentionally added, this does not exclude the presence of traces due to (among others) impurities in the components supplied by third parties and used in our production facilities.

This declaration has been prepared and issued on the basis of currently applicable laws and regulations and our best knowledge and expertise currently available; the addressee or recipient is advised to regularly request updates hereof. This declaration replaces all previous ones relating to this subject.

The General Conditions of Sale of the entity selling this product apply to and are part of all our quotations, offers, agreements, sales, deliveries and all other similar dealings, unless explicitly agreed otherwise by means of a duly and mutually executed document.

This information holds for the material as it leaves its production facilities and does not include any additive, pigment, etc. subsequently added by the converter or processing steps undertaken by any other third party.

On behalf of the manufacturer,

Ir. G.P.J.M. Tiemersma-Thoone
Product Safety Expert
